Sarazen and Armour Defeat Win From Knox and Von Ber- Yachtsmen Spin Yarns and Hagen and Kirkwood by 3 and 2.

### By KERR N. PETRIE.

Armour in Fine Form.

That left Armour and Sarazen 2 up on the day. They lost the fifth and seventh but won the sixth through Sarazen's 4 and so turned into the home stretch 1 up. A 3 at the tenth by Armour made it 2 up again and once again the amateur shone when he holed the only 4 at the twelfth.

Working in his usual masterful style Hagen won the thirteenth with a 3, but Sarazen carried off the fourteenth and it was practically all over. Halves on the next two left Armour and Sarazen in possession of the field. The winners fully merited their success. for never once, morning or afteroon, had they been down. The cards of the match:

Now that the ten men have been selected to represent New York in the first national municipal golf championship to be held at Ottawa Park, Toledo, the end of this month, it remains to raise a fund to defray their expenses. The subscription list has been given a good send off, but as a sum of \$1,500 or more will be required much still remains to be done. J. Frederick Byers, the U. S. G. A. president; G. H. Walker, former president; T. J. McMahon, the executive secretary of the national body, and Findlay S. Douglas, president of the Metropolitan Golf Association, are among those who have subscribed to the fund. The list so far is, as follows: H. H. Hirschfield. \$10; Grantiand Rice, \$10; J. Frederick Byers, \$10; D. D. Dearborn, \$10; G. H. Walker, \$10; F. H. Hoyt, \$5; F. S. Douglas, \$5; T. J. McMahon, \$5; C. C. Gould, \$2; E. S. Kearns, \$2; R. W. Wilson, \$2; H. J. Perch in the Watershed Lakes.

The Croton Watershed lakes and streams are literally alive with perch this year and those who have gone after these little pan fish have caught then by the hundreds. The little fish seem nuch more plentiful than in former seasons and the percentage of larger ones amongst them is greater. One man who fishes one of the smaller lakes with regularity says that he can run over after dinner of an evening and hag a hundred or more if he wants them. In some sections difficulty has been experienced in great when any worms. If there was entire the little is the year, worms should be positive this is the year, worms should be positive this is the year of the sands worms is at the foot of bill beards. The rain washes off the pasie and the worms come close to the surface to feed on the flour.
